As the college has to follow the SOPs' and guidelines issued by the Central and State Governments with regard to protection to be taken for the prevention of COVID-19 infection, the college is working out the implementation plan for phase-wise rejoining of students. All students and parents are requested to keep checking the college website everyday for instructions that would be uploaded as to how and when students would rejoin the college.

The students are to report only as and when instructed and not earlier than that.
