Dated:-01.09.2021

CORRIGENDUM

Information regarding post of Field Worker

With reference to advertisement for the post of project staff on contractual basis dated 18.08.2021 published on MAMC website, the skill test under the time bound project "The development of a Health and Demographic surveillance site with focus on epidemiological survey of Dengue and Chikungunya in an urban resettlement colony and slum in Delhi: a prospective observational study" scheduled on September 07, 2021 at UHC-Gokalpuri for the post of Field Worker maybe rescheduled in the wake of incandescence rains. Candidate are instructed to check the website on regular basis for more updates. other terms of reference and condition will remain same as advertised earlier.

Dr. Nandini Sharma
